**YOUR PLEDGE COUNTS!**

March 25, 2022

By now, we trust you've heard about our *Strong Roots, New Season* campaign and that we've answered any questions you may have. **Our goal now is to gather all remaining pledge cards in time for this week's Commitment Sunday when Bishop Kevin Robertson will visit St. Aidan's for the official grand opening of our renewed church.**

Every pledge, no matter how large or small, is a blessing!

Currently, projected total costs of our campaign's 5 initiatives are \$750,000, with some of those funds to come from our church's operating/endowment funds. With our amazing campaign results, we can now expect that if the costs of the 5 initiatives stay in line with the estimates quoted, we will need to use less of our church operating/endowment funds over time to complete the work. This is great news, as it will allow us to redirect those operating/endowment funds to other essential church activities for years to come.

***If my financial situation changes, can I alter my pledge?***

Yes. Pledges aren't legally binding, and are only an expression of your intention. You can change your gift at any time by emailing the Campaign Treasurer at [donations@staidansinthebeach.com](mailto:donations@staidansinthebeach.com), or by calling the parish office at 416-691-2222.

### **YOU'RE INVITED**

Please join us for Commitment Sunday, March 27, 2022 at 10:30am. And if you haven't already returned your pledge card, we ask you to do so by Commitment Sunday (you can bring it with you to the service!)
