### A WORD FROM OUR YOUTH MINISTRY APPRENTICE ...

*“What an honour it has been to work alongside Gemma (Snider) in teaching and learning through St. Aidan's blossoming youth group. I cherish the lessons I learn every day from the activities and discussions we have each Sunday. It's beautiful to know that we have a community of up-and-coming youth who are learning to pray and care for one another.*

*A highlight of this journey has been the skating afternoons we have planned outside of 'church hours'. I see the kids' enthusiasm in forming relationships with each other and God as we take time for fun group activities. And if there's one thing we've learned from this pandemic, it's that time and opportunity are very valuable!*

*I look forward to learning more from these incredibly smart kids/youth, and striving to guide them through Christ as best as I can. “*

– Grace Rockett, Youth Ministry Apprentice –
